

HEALTH LEARNING GAMES

5 FEBRUARY
16:00-18:30

The students of the Medical Technology program of the Carinthia University of Applied Sciences will present specially designed and implemented games in the context of health promotion & knowledge.

Join us for five exciting online game presentations, get inspired and discuss directly with the students and other interested people about:

- 1. Fit instead of Frustrated (L. Hedenig, E. Hohenberger, H. Raunig)
- 2. Scattergories: Memory Olympics (F. Augustin, A. Chedjou)
- 3. Operation Retirement Home: Liberation (B. Goga, Y. Schwann) 
- 4. Save the Clinic (T. Bürger, E. Duller) 
- 5. DocNames (E. De Monte, M. Gugl, J. Lamprecht)
